

7 Core Units of Competency for Rail Industry Worker – Accelerated Program

Nominal Hours: 16

Thank you for your interest in enrolling with us to complete the above training course.

Course Description

This course consists of 7 core units that form the basis of a Rail Worker Basic Skill Set. Rail operators consider this skill set to be a minimum requirement for anyone wanting to work within the rail corridor as a track worker.

The units delivered in this program are:

TLIF0025 Follow work health and safety procedure	TLID0020 Shift materials safely using manual handling methods
TLIF2010 Apply fatigue management strategies	TLIU2008 Apply environmental procedures to rail infrastructure
TLIW0007 Operate under track protection rules	TLIE1003 Participate in basic workplace communication
TLIB0012 Maintain and use hand tools	

Go-Train Industry Pty Ltd offers this 16 hour training program for skilled workers. It is a quick, yet comprehensive course and available for people who feel they have previous experience.

By choosing to enrol in this course you are indicating that you have previous experience and wish to participate in the accelerated program. You will be required to complete a questionnaire indicating your experience that will be reviewed by our trainer.

No licensing, legislative or certification requirements apply to this course at the time of publication.

How much does it cost?

The course costs \$600 per person.

How long does it take?

This course is conducted over two days from 8.00 am to 3.30 pm

Will I need to undertake Work Placement?

No

Language, Literacy and Numeracy

Where a student is deemed, either prior to enrolment or throughout the training program, to possess a lower level of language, literacy or numeracy than is the minimum requirement for the requirements of the course, Go-Train Industry Pty Ltd will provide appropriate advice and support to the student regarding further learning options. At times, further language or literacy development or remedial assistance may be required to be completed prior to the continuation or completion of the student's course of study. The cost of this further LLN development or remedial assistance would need to be covered by the student.

What will you get when you complete?

For any units that you successfully complete during the course you will receive a nationally recognised Statement of Attainment from the Transport & Logistics Industry Training Package.

What Next?

Before Training

1. You should have already completed your TLIF0020 - Safely access the rail corridor unit which is a requirement for any person wishing to work within the rail corridor.
2. **Unique Student Identifier (USI) Number.** From January 2015, the Australian Government implemented that all students participating in nationally recognised training need to have a USI. Your USI gives you access to an online record of your training that has been completed since

Pre-Training Information

January 2015. You will be able to access these results throughout your life. Students who do not currently have a USI must obtain one before attending training at Go-Train Industry. **Please visit www.usi.gov.au to obtain your USI.** We need you to provide us with your USI number as we cannot issue your certificate until the USI number is received.

3. To secure your spot in the course you need to enrol and pay for your course prior to commencement of training, please contact us to organise this.
4. Do you think you could apply for RPL or Credit Transfer? If so, please refer to our website for what to do next.
5. If you find you are unable to attend, can you please contact us within 48 hours of the scheduled training. If you provide less than 48 hours' notice of cancellation, we are unable to refund any monies paid.

On the day of training we need you to

1. Bring Photo ID - Preferably a driver's licence or passport.
2. **Students must wear covered in shoes.** Please note that we have a **NO THONGS** policy and students will be sent home unless the correct footwear is worn.
3. Course must already be paid in full
4. **Full PPE** to be worn on day 2 for practical.

At the course

1. When you attend the training, you will be asked to sign a Training Attendance Sheet. Signing the attendance sheet is an acknowledgement that you have read and understood this Pre-Training Information prior to attending the course.
2. This course will be delivered in a classroom environment by a qualified and experienced Rail Trainer.
3. All learning materials will be provided to you.
4. You will be required to complete written and practical assessments for this course – practical assessments take place in a simulated work environment.

After Training

1. On completion of the training you will have an understanding of maintaining and using hand tools, manual handling methods, communication in the workplace, WHS procedures, fatigue management strategies, environmental procedures and track protection requirements.
2. **Statement of Attainment** - If you successfully complete you will receive a nationally recognised Statement of Attainment showing each unit completed
3. **Rail Industry Work (RIW) Card** - You will need to obtain a Rail Industry Work (RIW) Card to work in the rail industry – this is the national competency management system for rail workers. Please note that Rail Safety Worker (RSW) cards are NOT issued on the day of training – obtaining the RIW is your or your company representative's responsibility. Should you need any help, Gotrain offers a service **GoRail** who can help you navigate the challenges of RIW
Please refer to the <https://www.riw.net.au/> website for further information.

Where can you complete the course?

Beresfield

Salisbury

Victoria

Various Locations

Please contact our office on 1300 698 158 to confirm delivery dates and enrol.

Fine Print

Please refer to our Client Handbook located on our website (www.gotrain.com.au) for further information in regards to your rights and obligations as a student of Go-Train Industry Pty Ltd.

To ensure you leave us with the most up to date qualification
