

TLIB2085 Apply Track Fundamentals

Nominal Hours: 40

Course Description

This course involves the skills and knowledge required to apply fundamentals of track maintenance and construction, and to carry out basic track measurement, in accordance with approved rail industry standards, safeworking and regulatory requirements, and workplace procedures.

It includes identifying track terminology, track components and track tools and equipment; and undertaking basic track measurement.

It involves the application of routine operational principles and procedures to the fundamentals of track maintenance and construction, as part of workplace activities across a variety of operational contexts within the Australian rail system.

No licensing, legislative or certification requirements apply to this course at the time of publication.

Units of Competency

If a participant completes all requirements of the course, they will receive a nationally recognised Statement of Attainment for the following units:

TLIB2085 Apply track fundamentals

Cost

Please contact our office for current pricing.

Duration

This course is conducted over 1 day from 8:00am to 4:00pm.

Will I need to undertake work placement?

No. This course is delivered over one day of theory and practical training.

Do you need to bring Personal Protective Equipment?

Yes. Participants will need to provide: ankle-high steel cap boots, long-sleeved hi-vis shirt or vest with an X on the back and H/goal-posts on the front, long pants, a hard hat, safety glasses and gloves.

What will you get when you complete?

For any units that you successfully complete during the course you will receive a nationally recognised Statement of Attainment from the Transport & Logistics Industry Training Package.

What are the Entry Requirements?

Participants must:

- complete an expression of interest form prior to enrolment.
- already hold the following units of competency or certifications prior to enrolling in this course:
 - TLIF0020 Safely access the rail corridor

Language, Literacy and Numeracy

Where a student is deemed, either prior to enrolment or throughout the training program, to possess a lower level of language, literacy or numeracy than is the minimum requirement for the requirements of the course, Go-Train Industry Pty Ltd will provide appropriate advice and support to the student regarding further learning options.

At times, further language or literacy development or remedial assistance may be required to be completed prior to the continuation or completion of the student's course of study. The cost of this further LLN development or remedial assistance would need to be covered by the student.

What Next?

Before training:

1. You will need a **Unique Student Identifier (USI) Number**. From January 2015, the Australian Government requires that all students participating in nationally recognised training need to have a USI. Your USI gives you access to an online record of your training that has been completed since January 2015. You will be able to access these results throughout your life. Students who do not currently have a USI must obtain one before attending training at Go-Train Industry. **Please visit www.usi.gov.au to obtain your USI.** You will need to provide us with your USI number as we cannot issue your certificate until the USI number is verified.
2. To secure your spot in the course you need to enrol and pay for your course prior to commencement of training, please contact us to organise this.
3. Do you think you could apply for RPL or Credit Transfer? If so, please refer to our website for what to do next.
4. If you find you are unable to attend, can you please contact us within 48 hours of the scheduled training. If you provide less than 48 hours' notice of cancellation, we are unable to refund any monies paid.

On the day of training:

1. Bring Photo ID - Preferably a driver's licence or passport.
2. **Participants must wear covered in shoes.** Please note that we have a **NO THONGS** policy and individuals will be sent home unless the correct footwear is worn.
3. Course fees must already be paid in full before attending.

At the course

1. When you attend the training, you will be asked to sign a Training Attendance Sheet. Signing the attendance sheet is an acknowledgement that you have read and understood this Pre-Training Information prior to attending the course.
2. This course will initially be delivered in a classroom environment by a qualified and experienced Rail Trainer.
3. All learning materials will be provided to you.
4. You will be required to complete theory and practical assessments throughout the course.

After Assessment:

1. **Statement of Attainment** - If you successfully complete some units you will receive a nationally recognised Statement of Attainment showing each unit completed.
2. **Rail Industry Work (RIW) Card** - You will need to update your Rail Industry Work (RIW) Card following this training - this is the national competency management system for rail workers.

Updating the RIW is your or your company representative's responsibility. Go-Train Industry Pty Ltd are unable to access your RIW on your behalf.

Please refer to the <https://www.riw.net.au/> website for further information.
