

### Traffic Management - Victoria

#### Course Description

This is a general course for a person working in an operational or supervisory role, who needs to conduct traffic management tasks in a live traffic environment for the resources and infrastructure industries in Victoria.

This course is about controlling vehicle and pedestrian traffic using a stop-slow bat, and setting out, monitoring and closing down traffic management plans and traffic guidance schemes in civil construction.

*Licensing, legislative and certification requirements that apply to this unit can vary between states, territories, and industry sectors. Students cannot apply this unit in any state or territory outside of Victoria.*

#### Units of competency in this course

If a participant completes all requirements of the course, they will receive a nationally recognised Statement of Attainment for the following units:

RIIWHS205E Control traffic with stop-slow bat

RIIWHS302E Implement traffic management plan

#### Cost

Please contact our office for current pricing.

#### Duration

This course is conducted over two days from 7:30 am to 3:30 pm.

#### Do you need to bring Personal Protective Equipment?

Yes. Participants will need to provide: ankle-high steel cap boots, long-sleeved hi-vis shirt or vest with an X on the back and H/goal-posts on the front, long pants, a hard hat and sun glasses.

#### Will I need to undertake work placement?

No. This short course does not require work placement.

### What are the Entry Requirements?

Participants must:

- already hold the following unit of competency, or an equivalent unit, prior to enrolling:
  - CPCWHS1001 Prepare to work safely in the construction industry

### Language, Literacy and Numeracy

If a participant is deemed, prior to enrolment or throughout the training, to possess a lower level of language, literacy or numeracy than the minimum required for this course, Go-Train Industry Pty Ltd will provide advice and support regarding further learning options.

At times, further language or literacy development or remedial assistance may be required prior to the continuation or completion of the student's course of study. The cost of this further LLN development or remedial assistance must be covered by the participant or employer.

### What Next?

#### Before training:

1. Participants need a **Unique Student Identifier (USI) Number** to study within Australia. A USI gives people access to an online record of training completed since January 2015. Participants who do not currently have a USI must obtain one before attending training at Go Train Industry. **Please visit [www.usi.gov.au](http://www.usi.gov.au) to obtain a USI.** Participants need to provide Go Train with their USI number as we cannot issue a certificate until the USI is verified.
2. To secure a spot in the course participants need to enrol and pay for the course prior to commencement of training.
3. Participants should refer to our website if they think they may be eligible to apply for RPL or Credit Transfer.
4. If a participant is unable to attend, they must contact Go Train as soon as possible. If less than 48 hours' notice of cancellation is provided, Go Train are unable to refund any fees paid.

### On the day of training:

1. Bring Photo ID - Preferably a driver's licence showing full name, date of birth and address.
2. **Participants must wear covered in shoes.** Please note that we have a **NO THONGS** policy and individuals will be sent home unless the correct footwear is worn.
3. Course fees must already be paid in full before attending each stage.

### After Assessment:

**Statement of Attainment** - On successful completion, participants will receive a nationally recognised Statement of Attainment.

**Rail Industry Work (RIW) Card** - Participants need to update their Rail Industry Work (RIW) Card after the training.

Updating the RIW is the participant's or their employer's responsibility. Please refer to the <https://www.riw.net.au/> website for further information.

### At the course

1. When participants attend training, they will be asked to sign a Training Attendance Sheet. Signing the attendance sheet is an acknowledgement that they have read and understood this Pre-Training Information prior to attending the course.
2. This course will be delivered in a classroom environment by a qualified and experienced Rail Trainer.
3. All learning materials will be provided to participants.
4. Theory and practical assessments will be conducted for each of the units throughout the course.

## Locations

Please contact our office on 1300 698 158 to confirm delivery dates and to enrol.

*Participants are responsible for any travel to practical locations, their meals and lodgings throughout the course.*

### Kensington Vic.

105 Bakehouse Rd.  
Kensington VIC 3031

### Fine Print

Please refer to our Student Handbook located on our website:

[www.gotrain.com.au](http://www.gotrain.com.au)

for further information regarding participant rights and obligations as a student of Go-Train Industry Pty Ltd.

### To ensure a participant leaves with the most up to date qualification

If during or after enrolment, the course in which participants are enrolled is updated in line with national industry standards, Go Train reserve the right to transition participants into an alternate course. If this becomes necessary, we will advise participants of the change and the arrangements which will be available to complete the alternate course.

### Participant's workplace
